2011 Supporting Membership Application

Join VIGA to continue to develop the relationship between farms, local craftspeople and the community, and expand the production of safe, wholesome food on Vashon Island. By helping provide markets for farmers and educating the public about the benefits of local agriculture, we hope to ensure the viability of farming on Vashon-Maury Island, expand the islands' food self-sufficiency, and retain its rural beauty. The Vashon Island Growers Association (VIGA) is a chapter of Washington Tilth and a non-profit educational organization devoted to the promotion and protection of farms/gardening operations on Vashon-Maury Island.
